

Ban Lan Gen Chong Ji- A New, Tasty Infusion #3734

We are pleased to announce the arrival of our new Qixing® Brand Ban Lan Gen Chong Ji from the prestigious Guangzhou Qixing Pharmaceutical Company. Ban Lan Gen Chong Ji is made according to strict GMP (Good Manufacturing Practices) thereby guaranteeing high quality ingredients and a superior product. Guangzhou Qixing Pharmaceutical Company is known throughout China for it's excellent products and is one of the main producers of our own Plum Flower® Traditionals Line.

This new version of Ban Lan Gen Chong Ji originated from humble folk origins. It utilizes a combination of Southern Isatis root, Dandelion herb and Viola herb, and has become one of the most popular herbal beverages in China and a staple in every household. In recent months it's popularity grew enormously in China in light of the SARS epidemic. This powerful combination of three herbs functions to Clear Heat and Toxins and is widely used in a variety of viral and bacterial infections. It's most popular application is for acute sore throat.

Ban Lan Gen Chong Ji is now packaged in an attractive seven ounce bag (200 grams). Inside each bag you'll find twenty easy-to-use foil packets with 10 grams of granules each. This type of administration is very convenient and also quite tasty. It's agreeable taste makes it especially useful for pediatric cases.
